

Campus Safety

Be Prepared

Campus safety is a vital concern at the University of Connecticut. UConn Alert provides a number of ways in which the University may contact the community in the event of an emergency. The components of UConn Alert include text message, social media, email, voicemail, and this website. Code Blue phone kiosks and outdoor sirens are also located around our campuses for added safety.

In the event of an emergency, <http://alert.uconn.edu/> will provide the latest information, including possible action. Regular updates will be posted as they become available.

In any emergency situation, reacting quickly and calmly, and following directions is of utmost importance.
