

Items to Bring

Get Ready!

In preparation for an exciting week filled with fun and educational activities, there are a few items we thought you should keep in mind to make your experience here at UConn run smoothly.

The Pre-College Summer at UConn program is not responsible for any personal belongings left behind at the conclusion of each session. Students are responsible for taking care of their personal property at all times. We recommend that students do not bring jewelry, electronics, or expensive items that can be misplaced or stolen.

You will be walking a lot! We emphasize bringing sunscreen, appropriate rain gear and shoes for walking.

Your room includes a linen packet! (Included are a top sheet, fitted sheet, thin cotton blanket, towel, face cloth, pillow case, and pillow)

Medical Care

Care is available if you need medical assistance. For this reason, **registered students are required to bring a photo ID and health insurance card.** If you require medical care, UConn's [Health Urgent Care](#) facility, located in Storrs, is open Monday – Friday from 9 am to 9 pm and 9 am to 5 pm on weekends and holidays. In the event of medical emergencies, UConn's EMS will transport you to a nearby hospital. Students will be accompanied by program residential staff.
