

Welcome

Summer at UConn

Welcome to the University of Connecticut's Pre-College Summer program. We are looking forward to meeting you and doing whatever we can to help you benefit from your experience.

Upon arrival, you will have the opportunity to meet the Pre-College Summer staff and other students in your session. In addition to your academic work and workshops, you will have social activities and plenty of time to have fun. To ensure a successful experience during your stay, we have compiled a list of materials and information you will need. As always, please do not hesitate to contact the Pre-College Summer office if you have any questions.
